# Insurance Solutions for Printers

Marsh, the world's leading insurance broker and risk advisor, is proud to be endorsed as the insurance broker for the Printing Industries Association of Australia. Our primary objective is to provide the printing industry with quality insurance solutions at competitive prices.

**Members of the Printing Industries Association of Australia can now take advantage of a broad range of insurance products which include:**

- property cover including building and contents with built in protection for cases of underinsurance;
- business interruption cover to help your business recover from loss;
- public and products liability insurance with option to include errors and omissions insurance;
- cover for property in transit including local transit and imports and exports; and
- motor vehicle fleet insurance with automatic cover for additional vehicles.

**Contact Marsh today for an obligation free quotation on 1300 142 161 or email [Printers.Australia@marsh.com](mailto:Printers.Australia@marsh.com). Alternatively, complete the form below and fax it to Marsh and we will contact you.**

This document contains general information, does not take into account your individual objectives, financial situation or needs, and may not suit your personal circumstances. This is a basic guide only, providing a summary of cover provided by the insurer. For full details of the terms, conditions, exclusions and limitations please refer to the specific policy document (Product Disclosure Statement) which is available upon request from us.

The Printing Industries Association of Australia receives remuneration from Marsh Pty Ltd (ABN 86 004 651 512 AFS Licence No. 238983) when a member decides to purchase insurance enabling the association to continue to provide services for members. In arranging this product, Marsh Pty Ltd may act in relation to certain insurance products on behalf of insurers and in respect of other insurance products on your behalf. Please refer to the financial services guide and/or important notices and/or product disclosure statement for more detailed information in this respect.
